

LANDSCAPE AND BUSINESS EXCELLENCE AWARD WINNER!

Design • Construction • Maintenance

We're Team Building!

Join our winning team...

Price Landscaping Services is a multiple award winner of Landscape Excellence in New Brunswick and 2015 winner of the Chamber of Commerce Business Excellence Award! We have been in the landscape industry in southeastern New Brunswick since 1968, and since that time have grown to employ over forty employees. We offer a complete line of Landscape Design, Construction and Maintenance services for residential, commercial or industrial property clients.

We are seeking people who will fit in with our team and grow with us. We are presently looking for support staff in all aspects of landscape maintenance, construction and lawn health.

We require...

- People with values and principles that align with our culture
- Energetic team players
- Desire and ability to learn and grow
- Problem solvers who are customer focused

Health and benefits package provided. Compensation commensurate with experience.

If you are interested and you meet the above requirements, I want to hear from you!

I invite you to review our website and visit the Join Our Team page. Take the first step and complete the questionnaire. I look forward to hearing from you.
