

Three Season!

Enclosures

Authorized Installer

We are proud to announce we are now an authorized installer of McCoy Bay Enclosures! McCoy Bay together with York Aluminium have been manufacturing quality enclosures since 1969!

Enclosures can serve multiple purposes, including protection from insects and inclement weather. They can be used as a screen room, mud room, extra living space and storage.

McCoy Bay/York Aluminium enclosures are manufactured in Canada and are designed and manufactured to suit our Canadian climate.

Three Season!

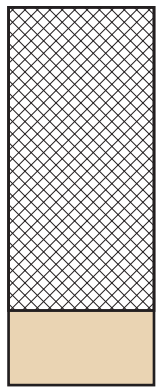

Enclosures

Authorized Installer

McCoy Bay Enclosures are manufactured with custom sized aluminum enclosure panels which are specifically designed to fit into existing openings. Each panel is made from 1-3/4" aluminum enclosure rails, aluminum kick panels and glass. The panels are assembled on site with "U" channels and "H" connectors for a quick and clean looking installation. Storm doors are added to complete your maintenance free enclosure, providing you with year-round beauty, versatility, and comfort.

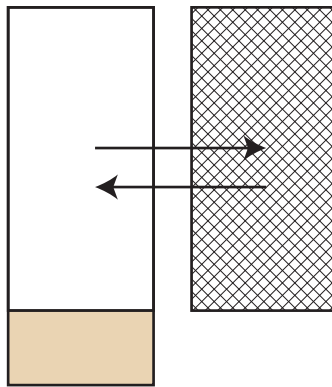

Enclosure panels are available in these popular styles. A variety of colour options are available.
